LINEWORK FANS

Support your favourite creators and see their exclusive posts, paid with your Linework balance. Creators keep 80% of every payment.

AS A FAN

- 1 Open a creator's profile: the Linework Fans box shows subscribers and exclusive posts.
 - 2 Choose a plan (1, 3, 6 or 12 months; longer plans may be discounted) and tap **Subscribe**.
 - 3 Pay with vUSDC or with vLWK (10% off).
- Subscriptions renew automatically; you can turn renewal off any time.
 - Locked posts show **For subscribers** or **Unlock for €...** (pay-per-view: subscribers see it free).
 - **Send a tip** from €1 to €200.
 - Menu → **Linework Fans** → **My subscriptions**: renewal dates, **Cancel renewal**, **Renew** or **Subscribe again**. If a renewal fails, top up your wallet.

BECOME A CREATOR

- 1 Menu → **Linework Fans** → **Creator** → **Become a creator**.
- 2 Enter your full legal name (as on your ID), date of birth and country. You must be **18 or older**.
- 3 Add a photo of your ID or passport (JPG, PNG, WEBP or HEIC, up to 6 MB). It is stored privately and seen only by the Linework team.
- 4 Tap **Send request**. You get a notification when it is approved; if it is rejected you can send it again.

YOUR CREATOR DASHBOARD

- Active subscribers, those not renewing, and your earnings.
- **Subscription price** per month (from €4.99 to €49.99), discounts for 3, 6 and 12 months, and a welcome message for new subscribers.
- Your latest payments: subscriptions, renewals, pay-per-view and tips. Payouts start from €20.

PUBLISH EXCLUSIVE POSTS

- 1 Publish a normal post.
- 2 Open its ... → **Who can see this post**.
- 3 Choose **Everyone**, **Subscribers only**, or **Pay-per-view** with a price from €1 to €100.

The text of the post stays visible to everyone; photos and videos are shown only to people who have access. Linework Fans is for regular content: the community standards apply as everywhere else in the app.
